

CONGRESSMAN DAN LUNGREN

LISTENING TO CALIFORNIA'S 3RD DISTRICT

[Home](#)[Issues](#)[Contact Us](#)[News](#)[Services](#)[Biography](#)[3rd District](#)[Committees](#)

Dear Friend,

It is a pleasure to serve as your representative in Washington, D.C. There are many important issues facing our nation today, and it means a great deal to hear your thoughts regarding these matters.

The August District Work Period is important because it allows time to travel throughout the District, where it is a privilege to meet with constituents.

Interacting with people in California and hearing your concerns is very important. My offices in Gold River and Washington, D.C. receive countless phone calls, emails, faxes, and mail regarding a broad range of topics.

Town hall meetings provide an important opportunity for the exchange of ideas. Much like the Greek city states and the New England town meetings at our nation's founding, such personal interaction is an essential element of representative government. The intention of town halls is to provide those in the 3rd District an opportunity to participate in the democratic process. Furthermore, our toll-free tele-town halls reach thousands of people at a time over the phone, providing additional opportunities for participation.

This August, two "traditional" town halls have already been held, one in Citrus Heights, and the other in Jackson. The final town hall is scheduled for tomorrow night, **Tuesday, Aug. 28** at the **Elk Grove City Hall**, at **7:00pm**.

At the town halls in Citrus Heights and Jackson, the two most pressing issues in the minds of those in attendance, as reflected by their questions and comments, were Illegal Immigration and the War in Iraq.

Although there is often disagreement expressed on the issues facing our nation, it is the responsibility of representatives to level with the people.

Please continue to make use of the many ways you can let your views be known on different topics facing Congress. Be assured that your views matter immensely.

Sincerely,

Daniel E. Lungren
Member of Congress
